

## 2020 Council on Clinical Information Technology (COCIT) Program

- Date:** The Council on Clinical Information Technology (COCIT) Program will be held on Sunday, October 4, 2020 from 9:00 AM to 5:00 PM. (Room location TBD)
- Topics:** Any aspect on pediatric informatics projects or research focusing on the development, implementation, or use of health information technology tools or platforms, or the application of clinical informatics, in the following child health domains: clinical practice, health services delivery, and/or public health (including the use of IT by patients). Preference is given, but is not restricted, to submissions which directly demonstrate the impact (i.e., data) of the application of health IT or clinical informatics on child health
- Submission Types:** Case Report, Original Research, Program Evaluation, or Quality Improvement
- Presentation Formats:** Oral Podium and Poster Only
- Internal Review Board:** Prior IRB approval will be required for submissions involving human subjects research.
- Prior Publication:** Previously submitted abstracts may be accepted, provided they were not presented during a prior year's AAP National Conference & Exhibition. Submission will not preclude future submission for journal publication, nor does prior publication disqualify submission to this section. Priority may be given to papers not previously published or presented.
- Awards:** Best Oral Presentation, Best Poster
- Sponsorship:** Submitters will NOT need a sponsor.
- Questions:** For questions about abstract submission guidelines, contact Lisa Krams at [lkrams@aap.org](mailto:lkrams@aap.org).
- Withdrawal:** To withdraw your abstract, email your request to [abstracts@aap.org](mailto:abstracts@aap.org) no later than August 21, 2020.
