

2020 Section on Pediatric Trainees (SOPT) Program

- Date:** The Section on Pediatric Trainees (SOPT) will be held on Saturday, October 3, 2020 from 7:30 AM to 4:00 PM with the SOPT Reception and Poster Display from 5:00 PM to 6:00 PM. (Room location TBD)
- Topics:** Any interesting cases.
- Submission Types:** Case Report.
- Presentation Formats:** Poster Only.
- Internal Review Board:** Prior IRB approval will not be required.
- Prior Publication:** Submission will not preclude submission for journal publication, nor does prior publication disqualify submission. If a winning abstract has been previously published, the full case report will not be re-published.
- Awards:** Best Medical Student Poster, Best Resident Poster, Best Fellowship Trainee Poster.
- Travel Grants:** SOPT will reimburse one-day registration fee following the conference.
- Sponsorship:** Submitters will need a sponsor if they are not members of SOPT. It is the responsibility of the individual submitting the abstract to identify and collaborate with a sponsor who, in turn, is responsible to assure adherence to all guidelines. Authors who are in search of a sponsor may contact Megan Donahue megandonahue@hotmail.com or Lawren Wooten at lew80@georgetown.edu.
- PLEASE NOTE: Medical students, pediatric residents, and fellowship trainees can be members of the AAP. Residents should check with their training program if they are uncertain of their membership status, as many residencies sponsor AAP membership. Trainees who are AAP members are automatically members of SOPT and therefore do not need a sponsor to submit.
- Questions:** For questions about abstract submission guidelines, contact Julie Raymond at jraymond@aap.org.
- Withdrawal:** To withdraw your abstract, email your request to abstracts@aap.org no later than August 21, 2020.
