EDUCATION SUPPORT OPPORTUNITY
General Session Topic Support

From Allergy and Adolescent Health to Infectious Disease and Sports Medicine, the AAP offers over 70 educational topics within 400 general sessions throughout the National Conference. Support will advance education geared toward general pediatricians within trending topics that relate to your service or product.

☑ Companies will be distinctly recognized as Education Supporters which has its own tile on the main landing page of the conference app and website page via AAPexperience.org. Approximately, 7,000 attendees use the conference app.

Additional Benefits!
Receive a variety of company recognition in advance and throughout the conference digitally and in print including the Conference Program, website and conference app, onsite eblast website recognition links, onsite donor signs, in AAP News Welcome Edition and more!

Sponsorship opportunities sell out fast! For more information about this item/event or to secure this opportunity, please contact:
