EDUCATION SUPPORT OPPORTUNITY

Pediatrics for the 21st Century Symposium

Don’t miss the 2019 Pediatrics for the 21st Century Program, “Transforming Care for Child Health Equity: A Call to Action”

This session will equip pediatricians to provide culturally effective care and advocate for health equity. Pediatricians will learn how to address implicit biases, create inclusive workplaces, and employ communication strategies rooted in cultural humility and quality interpretation. Attendees also will learn how to advocate for systemic change in practice and policy.

- Recognition on the Peds 21 page on the conference website.

Supporter will be acknowledged in the following ways:
Receive a variety of company recognition in advance and throughout the conference digitally and in print including the Conference Program, website, onsite eblasts website recognition links, onsite donor signs, in AAP News and more!

Sponsorship opportunities sell out fast! For more information about this item/event or to secure this opportunity, please contact:
