Host a **virtual** symposium in conjunction with the 2021 AAP National Conference & Exhibition! The 2021 conference is being planned as a robust hybrid experience both in-person in Philadelphia and virtually. The conference will offer world-class education, special events, and many unique experiences to reach a broader audience than ever before!

Symposia are education programs planned and implemented by an ACCME-accredited organization external to the AAP in which AMA PRA Category 1 Credit™ is designated. Symposia take place outside of the National Conference education program and are the responsibility of the symposium sponsor.

Symposia are not sponsored, endorsed or accredited by the American Academy of Pediatrics.

Organizations planning to hold a **virtual** symposium at the AAP National Conference & Exhibition must complete this application and adhere to [AAP Guidelines for Industry/Foundation-Sponsored Symposia](#). Incomplete applications will not be accepted.
